

## **BREAKING NEWS: UP TO £600 PRIZE MONEY IN EACH MEGAFINAL**

Thanks to the generosity of our sponsors, there will now be up to £600 prize money in each Megafinal, since every Supremo or Suprema (section winners) will win £25 as well as their winner's trophy and title. Each Megafinal has 12 sections, from under 7 up to under 18, but there are separate sections for girls and boys, which makes 24 sections in all. As there were 41 Megafinals throughout the UK last year, the prize fund has been increased by over £20,000!

Scotland currently has 3 Megafinals, one in Edinburgh, one in Glasgow and one in Aberdeen. Wales has a southern Megafinal and the northern Welsh counties take part in the Cheshire and North Wales Megafinal. Northern Ireland also has its own Megafinal.
